MID CENTRAL WATER

WORKS ASSOCIATION

RE: Educational Opportunities Scholarship

Dear Members,

The Mid Central Water Works Association (MCWWA) develops and supports people, agencies, and organizations that plan, build, maintain, and improve our water systems. Working together, MCWWA and its membership contribute to a higher and sustainable quality of life.

Part of the Association's mission is to help communities understand the critical role that waterworks operations play in our lives. To fulfill this mission, the MCWWA has created an Educational Opportunity Scholarship program so that the members can further their education in the water works industry. Educational activities include seminars, webinars and classes. The goal of the scholarship is to introduce educational opportunities to waterworks officials who would not normally be able to register for this class due to funding constraints. This scholarship is only open to only public works officials and does not include contractors, engineers, sales representatives, etc.

Each scholarship winner will receive reimbursement for the cost of the seminars, webinars and classes for a maximum of $200, whichever is less. All other cost greater than $200 will be the responsibility of the applicant.

Sincerely,

Tom Nagle

Robinson Engineering, Ltd.

Special Scholarship Chairman

The Mid Central Water Works Association Educational Oppurtunities Scholarship Fact Sheet

Awards Available

- Total Budget - $400
- Maximum Stipend Awarded - $200
- Additional scholarships may be awarded if funding and applicants are available

Eligibility

- Applicant must be a member of the Mid Central Water Works Association (MCWWA).
- Applicant must be employed by public water systems. Contractors, engineers, sales representatives, etc., are not eligible for the scholarship.
- Applicants' employer must not be offering reimbursement for such classes.
- Previous winners of Educational Opportunities Scholarships are not eligible to re-apply for this scholarship.

Judging Criteria

- Applicants will be chosen by a "first come/first serve" basis.

Submittals

- To be considered for a scholarship, the following must be completed and submitted:
  - The General Information Form
  - Sign and date the application. Electronic signatures for applications submitted by e-mail are acceptable.

E-mail Submittals

- Applications must be e-mailed to Tom Nagle, Robinson Engineering, Ltd., Tnagle@reltd.com. Please include "MCWWA Educational Opportunities Scholarship" in the subject line of the e-mail

Questions

- Please e-mail or call Tom Nagle at Tnagle@reltd.com or (708) 210-5690

Award and Disbursement

- It is the intent of the MCWWA to provide several scholarships if possible. MCWWA will pay for the cost of class/seminar up to a maximum of $200 per recipient. All other expenses above the maximum disbursement will be the responsibility of the recipient.

Disclaimer

- The MCWWA reserve the right to deny awarding any scholarship if applications are judged as failing to meet the requirements of the application
