

**Join Us And Help The Cause
“PLEASE DONATE”**

The Mid Central Waterworks Association invites you to participate in our annual charity raffle, held in conjunction with our annual golf outing. All proceeds will benefit the

Water for People Charity

Each raffle prize will be worth at least \$150.00. Tickets for the prizes will be sold during the day for \$1.00 each. Also, for each \$20.00 spent a “Golden Ticket” will be awarded. One grand prize worth \$500.00 will be drawn from the golden ticket bucket.

Please consider donating a \$150.00 gift or any monetary amount that can be used toward a gift. **Remember, this is not just for the material and service providers. We encourage municipalities and individuals to participate as well. Pass a hat around the office, talk up Water for People, be an advocate for clean water for all.**

Yes, I will provide a raffle prize or donation.
